

The Merrimack Valley YMCA & Town of North Andover

The Merrimack Valley YMCA and The Town of North Andover are excited to announce a new partnership. Through this partnership, The Town of North Andover employees will be eligible to receive an exclusive 15% discount on a Merrimack Valley membership which will allow for access to the Andover/North Andover YMCA, the Lawrence YMCA, and the Methuen YMCA. The rates offered will be a preferred corporate rate and The Town of North Andover employees should also be able to apply their fitness benefit from their health care provider towards the remaining cost of the membership, making it an extraordinary value.
